Aside from the ordinary farm crops which have been profitable, alfalfa has done a great deal towards making George Price feel that life is worth the living, this season. Thirty acres have brought him about nine hundred dollars for hay, and a considerable quantity of choice alfalfa seed will be marketed. George resides on the old Neilson place in the north valley, and it is pleasing to note that he is a winner—Sutherland Free Lance.

Grand Island Independent: "About twelve thousand tons of sugar beets have now been harvested for the Grand Island factory and according to the number of acres this was taken from, the yield per acre is higher than ever was shown in the history of the plant here, some farmers realizing as much as fifteen to twenty tons per acre and under the unfavorable conditions this crop went through shows beyond a doubt the stability of it, when the right attention is given.

#### Kearney Defeats North Platte.

"Down Among the Dead Men" is the popular song among the high school athletic body this week, following the unexpected trouncing the foot ball team received at Kearney last Friday at the hands of the K. M. A. North Platte was defeated by the score of 7 to 5, on a touch down and a safety. North Platte's downfall was consummated when K. M. A. got away on a long end run of over 70 yards for a down, and then followed this up with a punt which was fumbled by North Platte on the one yard line, and the K. M. A. shoved our safety man over the goal line for the extra two points. The game was played in a biting wind and Kearney had the advantage of the wind throughout the game. They were particularly successful on forward passes, while North Platte only attempted one or two fake plays; preferring to keep the major portion of them under cover to be worked on the Kearney high school. The boys naturally feel rather badly about the defeat, but promise to redeem themselves next Saturday when the same two teams meet on the local grid-iron. Every boy get out and help our boys win.

#### The Rosary.

The following is the story of "The Rosary," which comes to the Keith Thursday evening.

Bruce Wilton has amassed a fortune which he has lavished on his wife, Vera. Their household is a happy one but into it creeps a note of menace. No one hears it at first save Father Kelly, a priest, the former tutor of Bruce. Quietly he goes to work with his sharpened sense to find the person who is causing the diverse influence in the household. Almost on the verge of discovering the cause, calamity descends upon the Wilton house. Bruce's fortune is swept away, and in such a manner that he believes his wife the cause of his ruin.

Husband and wife are separated, the home is destroyed and yet the cause of all this disaster is unknown. Father Kelly, with a faith that moves mountains, goes on quietly, serenely and confidently with but one purpose, the happiness of the ones he loves. He solves the mystery and lets the white light of truth into the minds that have been destroyed by evil.

More than this, he finds the one who has caused all the misery and restores the home.

#### How a North Platte Citizen Found Complete Freedom From Kidney Trouble.

If you suffer from backache—From urinary disorders—From any disease of the kidneys, Be cured to stay cured.

Doan's Kidney Pills make lasting cures.

North Platte people testify. Here's one case of it:

Henry G. Brooks, 715 West 5th, St., North Platte, says: I think as highly of Doan's Kidney Pills today as I did in August, 1907, when I publicly recommended them in the North Platte papers. I suffered from sharp, piercing pains through the small of my back and kidneys and was annoyed by irregular painful passages of the kidney secretions. Doan's Kidney Pills procured from McDonell & Graves' Drug Store, banished the pains and aches so that I felt like a different man and corrected the disordered condition of my kidneys. I have had no serious trouble since, and I give the full credit of my present health to Doan's Kidney Pills.

For sale by all dealers. Price fifty cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
